

THE LAST BLOCK IN HILLCREST CT!

Located outside the village boundary, it is only a few minutes stroll to all of the village facilities. Imbil is the hub of the Mary Valley and has a lot to offer, including a school, shops, a supermarket, cafes, a pub and heaps of community facilities.

This is a 6,000 M2 lot, an ideal rural lifestyle block size - large enough for most rural pursuits or to accommodate your special interest, yet small enough to be easy for you to maintain. Hillcrest Ct gives you sealed road access and a quiet cul-de-sac to build your new home.

As the name suggests, Hillcrest Ct is on the crest of the hill. The valley provides an opportunity to have a good sized dam. You can build your home near the quiet road and have a northerly view over the dam and beyond.
