LIMES AND LIFESTYLE!

LIMERIDGE GROVE is more than a Lime and Dragon Fruit farm, it also has some great horse facilities and accommodation options.

THE ORCHARD:

Amamoor is orchard country and the rich volcanic soil suits this Amamoor orchard. It consists of nearly 1,000 Lime trees and 500-600 Dragon Fruit trees/plants, irrigated from an abundant water source. The orchard covers an area of less than 20% of this 38-acre (15.54 ha) property, leaving plenty of grazing opportunity for horses or cattle. There is an on-site packing shed with grading machine & walk-in cool room. Machinery wise, it's a walk-in, walk-out sale!

ACCOMMODATION OPTIONS:

- While small, the main house is very comfortable. The open plan lounge/dining/kitchen has both air conditioning & slow combustion heating. This area is complemented by an enclosed rear deck that greatly extends the living space. There are two bedrooms and one bathroom. The veranda overlooks the huge dam – water views!
- The second complex includes a multi-purpose room, with full kitchen facilities & plenty of storage, a combined bathroom/laundry and an adjacent cottage, with a separate bedroom & living area that includes a kitchenette.
- Then there's the tiny house. The perfect eco friendly "house in a container" in the perfect spot. Seeing is believing here!
