PASSIVE SOLAR HOME, PRIVACY & WILDLIFE

If seclusion amongst nature is what you are seeking, then look no further.

Positioned for privacy, in the middle of the 30 acres with no neighbours in sight, this unique H-shaped, double brick home is designed to be warm in winter and cool in summer.

Set in easy-care gardens with covered north & south-facing verandas, perfect for entertaining with sliding door access from most rooms, this is a home where bushland is always in view.

Pine lined ceilings with exposed Oregon beams, feature brickwork and large Italian floor tiles flow right through the home providing a calm, welcoming ambience.

The new modern kitchen is guaranteed to bring out your inner chef with a hybrid induction/gas cooktop & under bench oven, dishwasher and ample cupboard storage including a huge pantry.

There are 4 bedrooms, two with sliding door access on either side for air flow, the main with a walk-in robe and ensuite. The recently upgraded bathroom features a freestanding bath and easy access shower. A separate toilet and powder room plus spacious laundry with abundant storage have access from the central hallway.
