

Lot 188 Mary Valley Road, Kandanga

## PRETTY BLOCK WITH KANDANGA CREEK FRONTAGE!

Vacant land is in short supply in the Mary Valley.

Vacant land with creek frontage is almost impossible to find!

Therefore, you should take a closer look at Lot 188 Mary Valley Road Kandanga.

This vacant block has a good balance of productive grazing land, pecan nut trees, mature gum trees and native bush, just teeming with wildlife & native birds. The property has long frontage to Kandanga Creek and together with the natural bush, it forms the basis for your country escape. There is a pretty rock beach section in the creek to cool off in and the property has some very scenic spots. It also has productive land suitable and fenced for grazing.

Lot 188 Mary Valley Road is located adjacent to the Juster Road intersection, only minutes from Kandanga Village and about 20 minutes from Gympie, with easy access from the new freeway.
