LIVE THE LIFESTYLE NOW ... BUILD THE DREAM LATER

Tucked away within the hills of Kidaman Creek, this beautiful 34-acre bushland retreat is a property that unfolds gradually - revealing peaceful spaces, natural beauty and exciting possibilities as you make your way through the landscape.

From the front boundary, Kidaman Creek winds gently through the base of the property before the driveway begins its climb through the trees. Partway up, you arrive at a stunning dam scattered with flowering lily pads, alongside a large caravan carport set on a concrete slab - a peaceful and picturesque space that immediately captures the charm of the property.

Continue further and the landscape opens again, revealing a double garage / workshop, together with a beautiful elevated homesite offering sweeping rural views across the surrounding hills and mountains. It's easy to imagine creating something truly special here.

Perched privately at the top of the block sits a beautifully fitted-out cabin surrounded by established gardens and mature trees. Warm, welcoming and thoughtfully designed, the space features cathedral ceilings, timber-look flooring, open-plan living, a stylish kitchen with island bench and stainless-steel appliances, plus a cosy bedroom and lounge area with reverse-cycle air conditioning.

A separate bathroom with composting toilet, 23,000-litre water tank, single carport and three-phase power further support the lifestyle already in place.

One of the true strengths of this property is its flexibility. You can comfortably enjoy the cabin as your private escape while planning and building your forever home further down the hill - then retain the cabin for guests, extended family or additional income into the future.

Adding further appeal, the property also benefits from established lease agreements over a small section of land, creating a passive income stream - with the added flexibility to sell the lease agreements separately in the future if desired.

299 Kidaman Creek Road is located under 15 minutes to Kenilworth village, approximately 25 minutes to Maleny and just over half an hour to Eumundi.
