2118 Kandanga Creek Rd, Upper Kandanga

## APPLICATIONS PENDING

Set in the heart of a working farm, this spacious country homestead offers the perfect blend of rural charm, comfort and room for the whole family to spread out and enjoy.

A beautiful wide, covered front veranda overlooks the manicured front lawns, creating an idyllic space to relax or entertain. There's also a fantastic fire pit area for cooler evenings, plus a covered rear entertaining area ideal for family barbecues.

Inside, you enter into the spacious open lounge with timber floors and a slow combustion fireplace. The open-plan dining area flows off the kitchen and opens directly to the veranda, complete with reverse cycle air conditioning. The kitchen offers ample cupboard space, a large pantry, gas cooktop, electric oven and dishwasher.

The home features four bedrooms, all with built-in robes and air conditioning, including a master with ensuite. The main bathroom has a large free standing bath plus walk in shower and modern vanity. Two additional all-purpose rooms and a separate family or media room provide flexible living options.

Covered parking for three vehicles, a large house paddock yard, and established gardens complete the picture. The Landlord will consider family pets, including a horse, subject to application and references. However, all pets will need to be contained so as not to roam on the property.
