

989 Yabba Creek Road, Imbil

FULLY RENOVATED. WATER RICH. BUILT FOR LIFESTYLE.

Welcome to "Paradiso" ... a property where the true value lies in the land, the water and the infrastructure, all brought together with a beautifully renovated home ready to enjoy.

Set across 22 fertile acres with exceptional frontage to the permanent waters of Yabba Creek, this is a rare offering where lifestyle and practicality align. The landscape opens out into stunning pecan orchard parkland along the creek, complemented by established plantation timbers, creating a truly picturesque setting that feels both productive and peaceful.

Water security is a standout feature, with a 24ML Yabba Creek licence, bores, dam, pumps and approximately 75,000 litres of storage - a level of reliability that is increasingly hard to find.

For those needing space to work, store or create, the infrastructure here is exceptional. Extensive shedding includes multiple workshops with single and 3 phase power, along with an impressive 18m x 14m barn-style machinery shed with drive-through access, offering flexibility for a range of uses from business to lifestyle pursuits.

The fully renovated home has been thoughtfully designed to complement the property - light-filled, modern and effortlessly liveable. Open-plan living flows seamlessly to the outdoors, centred around a well-appointed kitchen with expansive island bench, quality appliances and generous storage.
