COUNTRY CHARM. COMMUNITY HEART.

There is something truly special about country towns.

It's the friendly wave as you drive down the street, the familiar faces at the local café, neighbours who know your name and a community that genuinely looks after one another. It's a slower pace of life, where people still stop to say hello, and it's one of the many reasons so many people are discovering beautiful Imbil.

Perched proudly on the high side of the street, this beautifully maintained Queenslander enjoys gorgeous views across the village and the rolling hills beyond. Full of warmth, sunshine and character, it's the sort of home that immediately makes you feel welcome.

The wide covered front veranda is the perfect place to start the day with a morning coffee, watch the world wake up, or gather with family and friends as the afternoon fades into evening.

Step inside and you'll immediately appreciate everything people love about a classic Queenslander. Stunning polished timber floors, traditional VJ walls and ceilings, soaring high ceilings and an abundance of natural light create a home that feels bright, welcoming and effortlessly homely.

Positioned at the centre of the home, the lounge flows through to the open plan dining area and modern kitchen, where a wall of beautiful casement windows frames the outdoors and fills the space with sunshine. Three comfortable
