SIMPLY MAGICAL

5 3 3 27.00ac

There are properties you admire, properties you love, and then there are those rare places that leave you speechless…

122 Harrys Creek Road, Amamoor is a setting out of a storybook.

Your journey begins with a number of crossings through Harrys Creek, before a timber gateway opens to what can only be described as a living postcard. Horses grazing, calves playing, ducks swimming on the creek, jacarandas in flower and green lawns beneath magnificent established trees.

But it's when you reach the cottage that the real magic begins.

Surrounded by incredible stone walls, with the creek and its spectacular little waterfalls beyond, a matching outdoor stone fireplace and barbecue complete an entertaining area nestled beneath a beautiful canopy of trees.
It's breath taking. The kind of place where you stop, look around and completely forget the rest of the world exists.

And tucked into this extraordinary setting is a gorgeous timber cottage. Funky, quirky, and filled with warmth and character. Timber floors, pine-lined ceilings, beautiful casement windows framing the creek, a cosy brick fireplace, freestanding bath and spacious bedroom, plus a charming loft.
Outside, discover matching stone sheds, and even a loo with a view!

But the story doesn't end here.

Up on the hill, a beautifully renovated three-bedroom home offers something completely different.
Modern, moody and striking, with deep brown exteriors, three-metre verandas and a magnificent tree woven into its design.

Inside, a stunning contemporary kitchen with black cabinetry, warm timber floors, slow-combustion fireplace and designer bathroom.
Outside, a private bath looking out to the trees and verandas made for entertaining, relaxing and living.

There's also a separate one-bedroom unit within the large shed, a container swimming pool, established fruit trees, beautiful gardens and a completely off-grid lifestyle.

All of this across 27 acres adjoining the forest, just moments from Amamoor village, less than 25 minutes to Gympie and 45 minutes to the coast at Noosa.
