

29 Bundy Rd, Imbil

THE HIGH END OF TOWN!

Bundy Rd is on the edge of Imbil, between the village and the forest. 29 Bundy Rd is elevated with a north east view over the village and beyond! It is on the high end of town.

You arrive, via a sealed road and driveway, to an immaculately presented homestead on 4 private acres. The home is framed at the front by green lawns and edged gardens and its elevated position offers extensive views. There is a double garage beside the home and easy level access to the veranda. The veranda is fantastic and while it is at ground level at the front, it is a couple of storeys high at the rear. The views are special and there will always be a breeze!

You enter a wide entry foyer, via double doors, and go through to a fully tiled, open plan living area. The kitchen, separated from the living area by a breakfast bar, has heaps of bench space, electric cooking and good storage that includes a walk-in pantry. Living areas have brightly painted feature walls, air conditioning and excellent views. The main bedroom, separated from the other two, is air conditioned, has a large walk-in-robe and en-suite. The second bedroom has direct access to the main bathroom. Every bedroom has sliding door access to the veranda.

Stairs from the veranda lead to a pool with a sun deck, surrounded by tropical plants, and then on to a 5 bay garage. At approximately 15m X 7m, this shed will cater for all your workshop and storage needs.
