LIMERIDGE GROVE AMAMOOR

THE OWNERS ARE RELOCATING AND NEED TO FINALISE A SALE. DON'T MISS THE OPPORTUNITY!

With rich volcanic soil, Amamoor is orchard country, and LIMERIDGE GROVE is right in the middle of this country, just outside the village of Amamoor. It is 15 minutes from Gympie, half an hour from the coast at Noosa and only 5 minutes off the new freeway, on your way to anywhere!

The established orchard at LIMERIDGE GROVE has a proven history of consistent financial returns. The orchard, comprising over 800 Tahitian Lime trees (with plans to expand) and 300 Dragon Fruit trees, is well established and easily operated as a family business. It is currently run by a husband and wife team. The fruit is grown, picked and packed on-site, and leaves the farm heading straight to market. The orchard covers an area of less than 20% of this 38 acre property, leaving plenty of grazing opportunity for horses or cattle (yards included).

Orchard/farm infra-structure includes:

- * Water - one large and a number of smaller dams, two bores and tank storage, with all the necessary pumps and irrigation equipment,
- * Outbuildings - to house cold storage, packing facilities, workshop and tractor & vehicle parking,
- * Plant and Equipment - all equipment necessary in the operation and maintenance of the orchard and farm.
