66 Yabba Rd, Imbil

A HOUSE IN IMBIL FOR UNDER \$250,000!

The north facing home at 66 Yabba Rd Imbil is set at the rear of a 764m² block, where distance from the road gives it privacy. It offers a big, level front yard for the kids to play, and a courtyard style rear yard. A shade-sail covered entertaining area greets you as you approach the front door of a home proud to display colour.

You enter a tiled lounge room on the lower level of this multi-level home. From here you get glimpses of what is to come! There are high windows in the wall separating lounge and kitchen, a timber feature wall and level changes, in two directions! The kitchen is eat-in, country style! Here you will find air conditioning and slow combustion heating in a cosy space that overlooks the lounge room.

The shower room and separate toilet are on the lower level, the laundry on the mid-level and all bedrooms on the top level! While louvre windows and tiled floors are a feature of the lower level, casement windows and polished timber floors are a feature of the top level.

The top level is the original home where an open play room gives access to three bedrooms. The main bedroom has a walk-in-robe and en-suite and the second bedroom has a built-in-robe.

A double carport with an enclosed workshop combines with the home to create a rear courtyard.
