

CARTER'S PLACE - A CONTAINER HOUSE IN THE MAKING!

PRICED TO SELL!

Selwyn St is on the very edge of the village of Imbil, but still close enough to walk to all the village conveniences. It's a leafy part of the village and the property has a great easterly view.

This is a quarter acre (1,012m²) block with a partly constructed container house. The basic modules are in place to build a Council approved home. It just needs someone to finish the project.

The plans, included in the photos, show what the completed project will look like. The photos show you the views and the current stage of construction. An inspection will bring all those things together.

Imbil is set on the banks of Yabba Creek, the edge of the forest and is the gateway to Borumba Dam.

Inspections of the container house at Carter's Place can be arranged by contacting the team at ron jefferys realty. With offices in both Imbil & Kenilworth, ron jefferys realty have the Mary Valley covered.
