FAMILY HOME ON 5 ACRES!

The colonial styled house at 3027 Maleny Kenilworth Rd is HardiPlank clad upstairs, on a solid brick base. It has a full-length veranda at the front and a wide full-length deck at the rear. It is set on the front corner of a 5-acre (1.98 ha) bush block, straight across the road from the Mary River. A retainer wall behind the house helps to create a level house yard that is fully established and well maintained.

Entering the house from the front, you arrive straight into a loungeroom with air conditioning and slow combustion heating. This room is semi- separated from the dining room and a kitchen that has electric cooking and good storage space that includes a pantry. There are three upstairs bedrooms, all with built-in robes, and one bathroom.

Downstairs has a central rumpus room, complete with a built-in bar, between two single garages. There is an opportunity here to create a self-contained flat. Permanent accommodation for extended family, or excellent facilities for visitors and friends.

3027 Maleny Kenilworth Rd Cambroon is less than 10 minutes from Kenilworth and close to Conondale National Park. It is about half an hour from Eumundi where you can go straight through to the coast at Noosa or join the freeway, on your way to anywhere.
