SHED HOUSE IN ESTABLISHED GROUNDS!

This open planned shed house has many great features, however please note: The Landlord has advised this property is managed / designed with permaculture principles - so no chemical fertilizers, pesticides or fungicides are to be used here.

Open planned lounge, dining and kitchen areas with raked ceilings, polished concrete floors and ceiling fans throughout. The lounge has a feature stone wall and wood circulation heater, the kitchen has a gas stove and the hot water system is also gas.

There is one bedroom downstairs with access to the covered patio, and the large open loft above would be a great second bedroom. The bathroom, with the shower over the bath, has views of the gardens and grounds.

Covered entertaining veranda, established shrubs and gardens, a large veggie patch for the keen gardener and undercover parking for one vehicle.

The property is available from the 9th March 2020, and the Landlord will consider pets upon individual applications and references.

To arrange your personal inspection, or to find out further information, please call Anne Whiteman from Ron Jeffery Realty on (07) 5446 0164.
