

Leased

615 Kandanga Imbil Road, Imbil

4 Bedroom Country Home - Available end of October!

4 BEDROOM HOUSE - AMPLE GRAZING LAND

A long driveway leads to the double storey homestead with wide verandas on three sides.

The home has open plan living with polished concrete floors and plenty of light. It has a northerly view over the grazing land. There is a modern kitchen that incorporates stainless steel appliances (gas cooker and range hood) along one wall, leaving plenty of lounge and dining space. Downstairs has one bedroom and one bathroom with dual access.

Internal stairs lead to a great study area and through to the upstairs sitting room with timber floors and a slow combustion heater. On this level there are three more generous sized bedrooms, one with a walk-in-robe, and the main bathroom with a feature bath and separate shower.

The home is on acreage, watered by three dams and a creek, and is suitable for horses. This property is 2 km from the village of Imbil so close to all village facilities.

The landlords are negotiable as to the commencement date of the lease, however it would be towards the end of October. To find out more, or to arrange your personal inspection, please call the ron jeffery realty rental team at our Imbil office on (07) 5488 6000.
