AMAMOOR LODGE B & B

"Not your average B & B"

Sited on a 46 acre (18.72 ha) lot with 2 dams and your very own section of rainforest, the land at Amamoor Lodge offers endless possibilities. Regardless of the land size, the buildings are grouped together and offer a choice between B & B suites in the Lodge and self-contained accommodation in the Studios.

THE LODGE:

From the moment you walk through the door of the Lodge, you know you are in a grand residence. An entry, wide enough for a piano, guides you via a change of levels, to an open plan lounge/dining room that features an open fire. The style of furniture sets the tone for this home (and most of the furniture stays). The timber floors on display in this room extend right through the Lodge. The kitchen is of generous proportions with plenty of bench space, wonderful storage that includes a walk-in pantry, a dishwasher, gas cooktop & double oven. There are 3 en-suited bedrooms, all with tea & coffee making facilities & external access. One is wheel chair (disable) friendly. There is a separate office and a powder room. A true homestead, the Lodge has wide verandas on all sides. The north/east corner is the favoured spot where you have a view over the pool, the property and the Amamoor countryside!

THE STUDIOS:

There are 5 individual, self-contained Studios in one block adjacent to the Lodge. The air-conditioned studios include an open bedsit layout, en-suite bathroom & kitchenette. While similar, some are set up as doubles and others as twins. There is a dedicated parking area beside the studio block.
