Lot 1 Roberts Road, Kilkivan

5 ACRES ... A BLANK CANVAS!

On today's busy real estate market you need to make the most of every opportunity. Therefore, with vacant land in short supply, the opportunity to buy 5 acres, so close to town is something that demands your attention.

Roberts Road is not a formed road, it's more like a well-slashed grass strip. But you only use about 100 metres of the road, and you are probably the only property using the road for primary access. It's your road! The adjoining properties are already developed, so you can see where your neighbours are.

The block is a blank canvas. Fenced on 3 sides, it's level, apart from a gully through the middle, and that's an opportunity for a dam. It is well-grassed, a productive block!

Roberts Road is off Cullen Road, on the outskirts of Kilkivan, about half an hour from Gympie. It's only a few hundred metres from the Wide Bay Highway ... where you can be on your way to anywhere!

Inspections of this block can be arranged by contacting the team at ron jeffery realty. With 3 offices located in Imbil, Kenilworth & Montville, at ron jeffery realty ... we've got you covered!

The 5 acre (2.02 ha) block in Roberts Road Kilkivan is a blank canvas!
