ALL YOU EVER WANTED ... AND MORE!

There's a lot to talk about at this Amamoor property but we'll start at the beginning (the main house), because that's a very good place to start.

The kitchen is all about timber, with timber walls, cupboards and benchtops. Bedrooms are many and varied with a delightful master, two guest bedrooms and bedroom 4 currently used as a media room ... then there's the study & a long sleepout. How will you use the rooms?

The bathroom is special with some great timberwork and a colourful feature window. There is a separate toilet.

The second, rustic self-contained dwelling, separated from the main house by the landscaped grounds, has entry from a covered deck straight into an open plan living area that includes a kitchen. This room has exposed trusses and air-conditioning. The other half of the building is open plan and could be left that way, or be divided into individual bedrooms. There are full bathroom and laundry facilities.

Relaxation & entertaining spots include the inground pool with an adjoining shaded bar area, the rear deck upstairs, the paved area under the A-frame or
