THE MARY VALLEY'S PREMIER HAIRDRESSER!

"GOLDEN APPLE HAIRDRESSING"

PREMISES: The ex-church building is a landmark in Imbil. The premises were totally renovated by the current business owner to the highest standard and, apart from the church-like look, has polished timber floors and a chandelier.

LEASE: A long lease will be negotiated with the successful purchaser.

EQUIPMENT: There are four fully-equipped stations, including a barber's chair, two shampoo chairs and two private beauty therapy rooms.

FACILITIES: Apart from the hairdressing salon & beauty therapy rooms, the premises includes an office, stockroom, colour station plus kitchen & toilet facilities.

FINANCIALS: Financial information will be made available to interested buyers after initial discussion and/or inspection.
