20 Marsden Street, Imbil

## CUTE QLD COTTAGE ... GREAT LOCATION!

The home at 20 Marsden St Imbil is a cute cottage with all of the character & charm that goes with a Queenslander.

Externally, it's a weatherboard-clad cottage with an as-new metal roof, set in established grounds. While the front deck is wider, more spacious & has a great view, the side deck & rear patio add to the outside living options.

You arrive via the front deck and enter to a cosy front reception or sitting room with high ceilings, air conditioning & slow combustion heating. There are polished timber floors right through the cottage. A central hallway leads to a kitchen/dining room at the rear of the cottage. While small, the kitchen is very functional with gas cooking, a dishwasher and a walk-in pantry. Cooking extends to the shady rear patio with a wood-fired pizza oven. The dining nook is well suited to the current dining setting!

There are three bedrooms, the main with built-in robes and an adjoining room well-suited to a study/computer desk. Bedroom two is a double & bedroom three is a single with built-ins. There is one bathroom and two toilets – one inside & one outside, off the side deck!

Outbuildings include a great shed complex incorporating garage, future granny flat, carport and covered work/storage area. There's a lot you could do with this shed. There is also parking for one vehicle under the cottage!

The property has town water plus tank water storage, and a large capacity solar power system, back to the grid.
