JOHANNA DESIGNS

The names JOHANNA DESIGNS and KENILWORTH go together. Johanna's business has been part of the Kenilworth CBD for around fourteen years, two years in the current location.

The business is easily recognised as you enter Kenilworth with its distinctive colours and Johanna's flair. However, when you enter the shop you will be amazed at what unfolds. It's an Aladdin's Cave, with something for everyone.

While JOHANNA DESIGNS is a women's world, even men enjoy the experience. And if they don't, there is a shaded spot at the front of the shop, sometimes used as a men's waiting area.

The business offers a wide range of ladies fashion that includes clothes, shoes, hats & accessories, sourced from designers around the world. This store is not a member of a chain, a franchise or retail conglomerate. Johanna Designs is unique, in every way. The eclectic range assembled by Johanna is colour co-ordinated throughout the shop and covers a wide age bracket & every taste. Johanna's extensive client base includes locals, semi-local Queenslanders and interstate & overseas buyers.

JOHANNA DESIGNS is offered for sale as a going concern and therefore includes all fixtures & fittings, plant & equipment ... and all stock! Financial information will be made available following an inspection and there is a long lease in place. Johanna will offer a generous handover & business introduction, plus some mentoring, to ensure a smooth transition.

This could be your "once in a lifetime" opportunity to secure an iconic Mary
