MONTVILLE APARTMENT!

Apartment living is all about the perfect location, and an easy walking distance to all that a village has to offer ... and Montville has heaps to offer.

Sitting high above the bakery in the tops of the trees and overlooking Montville's picturesque main street. Enjoy your morning coffee in the sunshine or your afternoon drinks with friends on this generously sized east facing balcony – giving you privacy and at the same time allowing you to watch all that goes on below.

This modern, light, and airy apartment is open planned and has multiple living spaces.

Entry is to the open lounge dining room featuring slow combustion fire, reverse cycle air conditioning and double French doors to that fabulous balcony.

The home is tiled right throughout, and the kitchen is the central feature. Dark coloured stone benchtops, glass cook top and stainless-steel oven, dishwasher, and feature rangehood. There is ample cupboard space and a good-sized breakfast bar.

There are two bedrooms, both with their own air conditioning units and built-in robes, plus the master has access to another sitting area. This western facing rear balcony is fully enclosed with a wall of glass louvre windows, perfect for enjoying the sunny afternoons in winter, plus there's a double storage cupboard at one end and clothesline at the other.

The bathroom is spacious, has a good-sized shower and a feature skylight, and your laundry is neatly tucked away in a well-designed hallway cupboard.
