## "LILLY PILLY COTTAGE"

Neatly renovated with a Hampton feel, "Lilly Pilly Cottage" has all the modern finishing touches.

Entry is from the front covered porch into the open planned living, dining and kitchen area. Whilst all spaces are set up as separate zones, they all merge easily with polished timber floors right through, selected walls with VJ paneling, large windows and an incredible full height gas fireplace. This certainly completes the room and is a great entertaining feature.

The kitchen has a modern colour palette, a large island breakfast bar and with the overhead lighting really brings the Hampton styling into play. There is good storage, marble look laminate benchtops, gas hotplates, electric oven, and a dishwasher. On the far side of the kitchen another open area lends itself to a great butlers pantry.

There are three bedrooms, all with ceiling fans plus 2 beautiful bathrooms. The first located near the laundry with a large walk-in shower, and the second amongst the bedrooms with a stunning free-standing bathtub.

Entertaining guests outside, whilst preparing in the kitchen, has been made easy with concertina servery windows and glass sliding doors from the dining room leading out onto your large, covered veranda. This space is big enough to entertain the whole family, yet at the same time perfect for your morning breakfast or a quiet drink. The veranda looks out to the fully fenced backyard and has timber railing with matching fretwork.
