FURNISHED HOME WITH BEAUTIFUL GARDENS

SHORT TERM LEAST TO THE END OF OCTOBER 2024 ONLY!

This quirky and colourful home is just a pleasure to inspect, and has the perfect art studio hidden amongst the gardens.

This **fully furnished one bedroom home** has stained glass windows, colourful walls, timber floors and loads of character. There are two bathrooms, one with bold dark tiles and a free standing bath and the other as a combined bathroom and laundry with large shower.

The lounge room with slow combustion fire place and air conditioning is open planned to the curved dining room with stunning windows. The kitchen, although cozy, has good storage space and a freestanding cooker with gas hotplates and electric oven.

There are ample covered outdoor entertaining areas along the veranda, and the gardens have been meticulously cared for. Add to this the perfect location at the rear of the garden for painting or crafts, or simply enjoy with a coffee or glass of wine.

The property has a single carport, and comes with full NBN and Wifi services included in the weekly rental price.

This is a short term rental, available now until the 31st October 2024. The Landlords may consider one small dog depending on references and individual applications, and this property is suitable for either a single or couple.
