and pastries, this business has established itself within the community, achieving an annual turnover in excess of \$1,300,000.

The Imbil Town & Country Bakery has served the Imbil community for over seven years, earning a solid reputation for its quality products and customer service. With long-term and well-trained staff, there is no experience necessary. The business has low overheads, is profitable and popular, and is priced to sell - with fantastic return on investment.

Located in a prime position, ideal for foot traffic, the business has secured a long lease with a further 18-year option available.

Whether you're an experienced baker or an aspiring entrepreneur, this is a rare chance to own a beloved local business in a booming location.

Confidential enquiries can be directed to Leanne Vincent on 0401 291 161 from RJR Property. Further financial information will be made available after initial consultation and or discussion.

A very successful business in a busy community ... it's a lifestyle choice!
