TICKS EVERY BOX!

This property ticks all the boxes with a quality residence, infrastructure for entertaining and guest accommodation, sheds and landscaped grounds... guaranteed to impress all who inspect.

A circular driveway surrounded by a landscaped setting, established trees and neatly mowed lawns sets the scene as you enter this Sandstone look brick home.

The formal entry with covered porch or the double lock up garage with internal access both lead you into the family room. Large modern tiles throughout, and several glass sliding doors provide great light and a sense of space.

The kitchen is in the centre of the home and has a walk-in pantry, ample cupboards, electric cooking facilities and sliding doors out to the veranda. There is a designated space here for a breakfast table or desk, and then the area opens out into the formal dining and lounge room – a generous room to accommodate a large dining table and lounge suite.

There are four bedrooms, three with built ins and master with walk in robe and large ensuite. The main bathroom is split into three with a powder room, separate toilet, plus bath and shower room. There is a full-sized laundry with built in storage.

Located on the northeast side, the covered veranda is approx. 5m x 9m and can be accessed from several rooms – allowing you to entertain all year round. Sit here in the sunshine and enjoy the grounds.

Now here is where all the additional infrastructure comes in...
